 PETITIONING THE COURT

To incorporate the violations contained in this petition in future proceedings with the violations previously reported to the Court on 6/30/2011.

The probation officer believes that the offender has violated the following conditions of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

6

**Mandatory Condition #2:** The defendant shall not commit another Federal, state, or local crime.

**Supporting Evidence:** Antonio Aranda-Zamora is considered in violation of his period of supervised release by committing the offenses of destruction or removal of property, possession of graffiti implement, driving under the influence, and driving with a suspended license in the third degree on or prior to July 3, 2011.

According to reports provided by the Pasco Police Department, the defendant was contacted by officers after a citizen observed him "tagging" a building. As officers arrived on scene, they observed the defendant driving a vehicle which was identified by the citizen. It was noted the defendant threw a paint can out of the drivers side window when he was initially contacted. Officers were able to determine the defendant's license was suspended. They could also smell alcohol on the defendant's breath. The defendant was subsequently taken into custody and transported to the Franklin County Jail. The defendant refused to cooperate with the alcohol investigation.
